

Pre conference tutorial (Wednesday the 14th)

4.00pm

Ray Panko, University of Hawai'i

Research Commiseration Session

An opportunity for anyone interested in doing research on spreadsheets to discuss problems in publishing, methodology issues we are running into, collaboration possibilities, work in progress, and anything else that comes to mind such as appropriate research topics. Research topics might include recommended practices for spreadsheet development, testing, use, and governance. All welcome, not just researchers.

Day 1

08:30 - 09:30

Intro Patrick O'Beirne, EuSpRIG Chair

Keynote: Morten Siersted, F1F9: "Time to Grow Up"

Session 1 - Plenary 09:30 - 11:00
Chair: David Colver
